Chabad enjoys the support of many individuals and families in our community. The above list reflects only those who have responded to our calendar greetings mailer. We sincerely appreciate the vital support of all our friends and donors; we couldn't do it without you.

THIS CALENDAR IS
DEDICATED TO THE
LUBAVITCHER REBBE O.B.M.,
RABBI MENACHEM M. SCHNEERSOHN

His personal devotion to each and every individual Jew, as well, as his dedication to G-d and His Torah, continue to inspire the Chabad center here in Monroeville, PA.

Dear Friend,

With great pleasure we present this beautiful Jewish Art Calendar for the year 2018/2019 – 5779 our gift to you for the New Year.

A calendar is not merely a tool to keep us on track. Jewish tradition teaches that a calendar is much more than that. When our ancestors in Egypt had just begun to taste the flavor of freedom, G-d gave them the first commandments, the first cables that connect us to Him. The very first Mitzvah was the instruction to sanctify time itself by establishing the Jewish monthly cycle.

It is this cycle that gives life and meaning to the entire year and to the lifecycle in general.

In addition to the beautiful artwork and practical design, the calendar also contains Shabbat/Holiday candle lighting times, highlights of some of the many events at Chabad, Kosher cuisine from around the world and more. It will hang perfectly in your home or office for easy reference.

We hope that the calendar will inspire you to delve deeper into our rich Jewish heritage and faith. This is one of the many ways Chabad serves the community. Our programs and services are designed to make Judaism an accessible reality to all, regardless of affiliation or background.

Join us, bring a friend and experience the Joys of Judaism!

We extend our thanks to the advertisers and sponsors in this calendar and to all of our supporters. With your continued assistance, we hope to strengthen, broaden and deepen the scope of our work.

We wish you and your loved ones a blessed New Year in every respect. May you be inscribed for a year of life and may we all be blessed with a year of peace in the Holy Land and the world over.

Rabbi Mendy & Esther Schapiro
Directors, Chabad of Monroeville

We're proud of our community.

OCTOBER 2018 WRESTLING WITH FAITH

Where is the evidence for G-d? Is Jewish practice primitive? Are science and religion in conflict? *Wrestling with Faith* tackles the "big issues"—questions we all share that secretly keep us from experiencing intimate faith with G-d.

FEBRUARY 2019 CRIME AND CONSEQUENCE

Accredited for Continuing Legal Education (in most states)

A father is wrongfully accused and sentenced to death for the murder of his wife and children. A reformed convict is condemned to life in prison for a crime committed in her youth. Miscarriages of justice can be infuriating, but also beg the question: What is a fair and effective approach?

MAY 2019 WITH ALL MY HEART

The Jewish Art of Prayer and Spiritual Experience

Lose yourself and find your true self in a spiritual experience that is both authentic and Jewish. Explore how to make the practice of prayer more personally meaningful. Learn why we pray, how prayer works, and discover the meaning and history behind Judaism's most important prayers.
